# STREETS

## Major Goals and Highlights

- o Supervise the repair of 1,000 lateral sewer lines through the Lateral Sewer Repair fund
- o Recycle sign material where possible to enable the production of more new signs
- o Respond to all street and alley light outages within 5 working days and replace 95% of individual outages within 2 working days
- o Replace 95% of signs within 3 days of request and respond to 90% of reported sign problems within one hour
- o Respond to all Police tows within 30 minutes or less
- o Towing to contact Police weekly to verify hold orders thereby allowing more vehicles to be auctioned
- o Make first year payment of \$893,000 on loan for Laclede's Landing housing from Port funds
- o Make first year payment of \$600,000 on loan for Admiral relocation

# STREETS

- o Tow 750 derelict vehicles and send notification letters within 10 days of work order
- o Replenish existing salt and snow chemical supplies with \$175,000 of new supplies
- o Handle construction debris disposal for Streets and other City departments
- o Respond to signal problems within one hour
- o Respond immediately to accidents and oil spills to reduce dangerous driving conditions
- o Collect nearly 200,000 tons of municipal waste and 27,000 tons of yard waste
- o Collect 12,000 tons of bulky waste
- o Continue project to replace all overhead wiring on lighting devices to improve safety and reduce outages
- o Respond to citizen requests for street repairs within 48 hours

Department: Streets  
Division: 510 Director of Streets

## Division Budget

### Services Provided & FY01 Highlights

The Director of Streets is responsible for overseeing the repair, cleaning and maintenance of all public streets, alleys and other City right-of-ways as well as the collection and disposal of refuse. Through right-of-way management, the Director's Office also oversees the Lateral Sewer Repair Program and manages the 50/50 Sidewalk program.

Division: 511 Traffic and Lighting

## Division Budget

### Services Provided & FY01 Highlights

The Transportation and Traffic Division manages the City's traffic and street lighting needs. This division is responsible for the maintenance and repair of all traffic signals, traffic signs, street painting, and streets lights. In FY01, this division will continue the installation of new types of traffic control signals as part of the ISTEA "Air Quality Control System" (CMAQ) which was funded in the FY98 & FY99 Capital Budgets.

**Department:** Streets  
**Division:** 511 Traffic and Lighting  
**Program:** 01 Administrative Services

**Program Budget**

**Services Provided & FY01 Highlights**

This section provides the administrative services for the Traffic and Lighting Division, including the planning and management of all traffic and lighting functions. All work orders and Citizen Service Bureau requests are monitored under this program. The administrative section also provides payroll supervision and manages purchasing for the division. In FY98, this program began the "Air Quality Control System" (CMAQ) project and continued the installation in FY00. In FY01 hope to acquire additional funding for the CMAQ project. Major objectives for FY01 are to reorganize this program based on new staffing and improve work scheduling, so as not to delay BPS project contractors.

**Division:** 511 Traffic and Lighting  
**Program:** 02 Traffic Control

**Program Budget**

**Services Provided & FY01 Highlights**

The Traffic Control Section stripes streets for traffic control, maintains the City's 641 signalized intersections, and makes and installs approximately 19,000 street signs per year. This section also inspects the condition of school crosswalks and restripes the crosswalks as necessary. In FY01 Traffic Control will continue efforts to improve response time to signal malfunctions. Traffic will also continue its program of adding block numbers to street name signs, paint bridges and replace all damaged traffic signal loops.

**Department:** Streets  
**Division:** 511 Traffic and Lighting  
**Program:** 03 Street and Alley Lighting

**Program Budget**

**Services Provided & FY01 Highlights**

This program provides the repair and maintenance of the City's 51,000 street lights, 16,000 alley lights and through a contract with Union Electric maintains the 2,200 easement lights located within the City. The utility charges for all of these lights plus those on the highway and traffic signal lights are funded in this program. Street Lighting responds to reported outages and is working to ensure a response to all service requests within five working days. This program continues the Street Lighting Enhancement Program , with funds from the Alderman's Ward Capital Improvements to enhance lighting in the neighborhoods. In FY01 this program will continue to replace all overhead wiring on lights, to improve safety and reduce outages.

Department: Streets  
Division: 513 Auto Towing and Storage

## Division Budget

### Services Provided & FY01 Highlights

The Auto Towing and Storage Division manages the towing of cars within the City. Cars towed in the City fall into two categories, cars towed under orders of the Police Department and cars that have been abandoned. The City tows cars ordered by the Police Department and contracts with a private company for the derelict tows. The Division also assists the Street Maintenance Division by removing illegally parked cars to allow for snow removal or paving operations and it also assists the Equipment Services Division by towing 100 to 150 City owned vehicles to the repair facilities. The FY01 Capital Budget will provide funds to for 5 new wreckers.

**Department:** Streets  
**Division:** 513 Auto Towing and Storage  
**Program:** 01 Auto Towing and Storage

**Program Budget**

**Services Provided & FY01 Highlights**

The Auto Towing and Storage Program conducts police-generated tows of vehicles resulting from accidents, arrests, delinquent parking tickets or theft. In addition, the division tows and relocates vehicles during snow emergencies. This Division conducts public auctions every week to dispense of unclaimed vehicles. Auto towing is a 24 hour, 7 day per week operation and the division tows approximately 16,000 vehicles per year. In FY99, the division towed over 3,525 vehicles with multiple parking violations. In FY01, the Towing Division will strive to maintain a response time of 30 minutes or less for all tows associated with this program. The Division will also be contacting the Police on a weekly basis to verify hold orders, this will allow for more vehicles to be auctioned.

**Department:** Streets  
**Division:** 513 Auto Towing and Storage  
**Program:** 02 Derelict Tows

**Program Budget**

**Services Provided & FY01 Highlights**

The Derelict Tows program removes vehicles from private property that are in violation of City ordinances. These are abandoned/derelict cars left on lots or in back yards. Each property owner is notified of the violation and has seven days to remove the vehicle, if not removed the violation is turned over to the courts. Due to this notification requirement the number of vehicles towed in FY99 was reduced. A private company tows and stores the derelicts and pays the City for each vehicle towed. In FY01, the Division estimates that it will tow about 750 derelict vehicles.

Division: 514 Street Division

## Division Budget

### Services Provided & FY01 Highlights

The Street Division is responsible for the maintenance of 1,100 miles of streets and 600 miles of alleys within the City. Specific functions performed by this division include street resurfacing and repair, street cleaning, snow removal and wharf cleaning and maintenance on the riverfront. In FY01, up to \$1.0 million of capital funds have been allocated for arterial street paving. Along with these efforts, the Street Division will oversee numerous paving projects as a result of the annual St. Louis Works street improvement program. The FY01 Capital Budget will provide funds to replace 7 street sweepers and 11 dump trucks.

**Department:** Streets  
**Division:** 514 Street Division  
**Program:** 01 Street Repair & Resurfacing

## Program Budget

### Services Provided & FY01 Highlights

The Street Repair program performs the majority of the street maintenance on 1,100 miles of streets and 600 miles of alleys. Maintenance efforts include pothole repairs, crack sealing, curb repairs and bridge maintenance. This program also responds to emergencies such as cave-ins, fence and guardrail repairs for the Street Department. Funds from the St. Louis Works program, appropriated separately, and the Capital Improvement Program are also used for resurfacing arterial and neighborhood streets. In FY01 this program will evaluate the success of major street resurfacing using polymer asphalt and will continue to respond to citizen requests for repairs within a 48 hour time period.

**Division:** 514 Street Division  
**Program:** 02 Street Cleaning

**Program Budget**

**Services Provided & FY01 Highlights**

The Street Cleaning Program is responsible for cleaning all City streets and responding to accidents and oil spills to reduce hazardous driving conditions. The Downtown Business District receives special emphasis and is swept nightly. Residential areas are swept on a monthly or bi-monthly basis. In November, this program conducts a leaf pick-up operation in which 14 leaf vacuum trucks are used to pickup leaves which are then mulched and processed by the Forestry Division, the FY01 Capital Budget will fund new large towed leaf vac. This program also has the responsibility for cleaning along the riverfront 2 mile wharf area.

**Division:** 514 Street Division  
**Program:** 03 Snow Removal and Flood Control

**Program Budget**

**Services Provided & FY01 Highlights**

The Snow Removal and Flood Control program removes snow and ice from approximately 440 miles of major and secondary arterial streets. The FY01 budget for this program has been reduced by \$175,000 for salt and chemical supplies due to carry-over of material, from the FY00 winter. The salt storage facility, which was funded by the FY99 Capital Budget, is ready for this winter. This facility will improve the operational efficiency during snow call-outs and should reduce the amount of salt needed for a season. This program also maintains 55,000 feet of floodwall and levee, 38 floodwall closures, and 85 flood relief wells which protect the City's residents and property from flooding damage. In FY01 will continue to implement a preventive maintenance program for testing the flood gates and relief wells.

## Program Budget

### Services Provided & FY01 Highlights

This program provides all budgeting, planning, management, custodial and administrative work for the other programs of the Street Division. The Street Division also manages the St. Louis Works street improvements program. Funding for personnel and related costs associated with St. Louis Works program are budgeted through a separate appropriation. For FY01 emphasis will be placed on improving response time of citizen requests.

Department: Streets  
Division: 516 Refuse Division

## Division Budget

### Services Provided & FY01 Highlights

The Refuse Division is responsible for collecting and disposing of the City's waste. The Refuse Division coordinates efforts to reduce the amount of waste going to landfills, such as recycling, composting, and waste reduction. The State of Missouri specifies a 40% reduction in landfill waste by 1998. The City to date has reduced its waste stream by between 15-20% mostly as a result of its yard waste and BOAT (batteries, oil, appliances, tires) collection programs. In FY98, a new municipal solid waste and yard-waste disposal contract began, the contract resulted in a 28% reduction in cost for our disposal of solid waste. The FY01 Capital Budget through a lease/purchase will provide funding for 44 refuse trucks.

**Department:** Streets  
**Division:** 516 Refuse Division  
**Program:** 01 Administration

**Program Budget**

**Services Provided & FY01 Highlights**

The Refuse Division Administration Section manages and supervises the collection and disposal of the City's waste. It is also accountable for all division records pertaining to tons collected, citizen complaints, personnel files and expenditures. This section also manages the City's recycling program. Current recycling efforts include yard waste composting, educational programs, household hazardous waste program, a Drop-Off Recycling Center and 27 firehouse drop-off recycling sites. The program also works with other City departments to increase recycling by the City offices and promote use of recycled goods. One of the major projects for FY01 is the automation of payroll and other recordkeeping functions.

**Program:** 02 Refuse Collection

## Program Budget

### Services Provided & FY01 Highlights

This program is responsible for the collection of household waste from all City residents. It also maintains 30,000 metal alley dumpsters and 21,000 plastic roll carts. The Refuse Division will continue to make recommendations regarding the Waste Reduction Program and the curbside collection of recyclable. Furthermore, the program will aim to increase recycling efforts at City buildings. In FY00 Alderman funded \$1.21 million for replacement refuse containers. In FY01, this program will continue to redesigned the collection routes to increase productivity and will work with the Aldermen to replace refuse containers.

**Division:** 516 Refuse Division  
**Program:** 03 Bulky Item Collections

**Program Budget**

**Services Provided & FY01 Highlights**

The monthly bulk refuse collection program collects approximately 8,500 tons of bulky items and handles an additional 9,000 annually, this includes furniture and appliances. This service is a convenience for the City's residents and improves the overall appearance of the City. This program also assists in the retrieval of old refuse containers and the assembly and delivery of new containers purchased with capital improvement funds.

**Department:** Streets  
**Division:** 516 Refuse Division  
**Program:** 04 Disposal of Resident and Bulk Waste

**Program Budget**

**Services Provided & FY01 Highlights**

This waste disposal program monitors the waste disposal contract for the City's two transfer stations. A long term contract, at a lower price per ton for the disposal of both municipal solid waste and yard-waste from the alley dumpsters began July 1, 1997. Due to the success of new clean-up efforts, such as Forestry's District Debris program which in FY98 & FY99 increased the tonnage of trash removed from vacant lots and alleys, the amount of refuse collected by other city departments for disposal will decrease in FY00 and is projected to be lower in FY01. The Refuse Division will continue to develop more convenient recycling options and improve service for City residents using the transfer station.

Department: Streets  
Division: 520 Port Administration Division

## Division Budget

### Services Provided & FY01 Highlights

The Port Authority of the City of St. Louis manages all phases of harbor and wharf operations including the enforcement of regulations. The Port Authority receives most of its revenue through leases of property on the riverfront. As in previous years, the budget includes a payment of \$125,000 to the City's General Fund for wharf cleaning services conducted by the Street Department. In FY01, the Port Authority will receive \$600,000 in public safety gaming revenue to service a \$2.4 mil. loan the agency incurred for purposes of assisting with the relocation of the Admiral gaming facility. These public safety gaming revenues are in addition to an estimated \$1.4 mil. in gaming lease revenues anticipated in the coming fiscal year. The FY01 budget also includes \$893,000 for payment on a \$6 mil. loan related to housing development on Laclede's Landing.
